

Course Update 2025

2025 Recap

- 4.5-year mark of operations
- 2025 Birdies for Good raised \$112,000 and secured again to played at Dorado again in September 2026
- Identified issues with the Clubhouse patio and Golf Cart Storage areas – work to be complete in Q1 of 2026

Course Information

Yearly top dress program for greens health and soil health had 70 tons of USGA sand pushed through the putting surfaces, goal for 2026 is 100 tons of sand

Watering practices continue efficient using 254.18 acre feet with the driest summer in past 15 years

Dorado will now be a host site for PGA HOPE programming – programming designed for veterans to reacclimate focusing on the social, mindset, and mental health. There are 25 host sites across the entire state of Arizona and Clark County Nevada

More information for PGA HOPE can be found through the link <https://swspgafoundation.org/pga-hope/>

Spark League for Spring, Summer, and Fall continue to be successful programs

Dorado hosted 5 junior tournaments among the SWSPGA, PGA Junior League, and First Tee of Tucson.

Thursday night Scrambles average 58 players weekly to continue to be one of the top player development programs in Southern Arizona

Staff accomplishments:

- Tony Noonan earned membership in the GCSAA (Golf Course Superintendents Assoc. of America)
