

DORADO MASTER ASSOCIATION
RULES COMMITTEE

Committee Report for March 19, 2025 Master Board Meeting

The Rules Committee has met twice in the last month.

A Zoom session was held with the attorney. Committee members are following up with the paper ballots requiring a "cure" (for example, no vote was indicated on the ballot or the name on the ballot doesn't match the property owner name provided by the sub-association.) Additionally, the committee is resolving the problems with the ballot packets returned by the Post Office due to incorrect address information.

The second paper ballot counting session was held on February 28th. The next session is scheduled for March 28th at the Block 70 pool.

Weekly presentations to homeowners continue to be held at the Block 70 pool, however, attendance has dwindled, and the weekly meetings will cease after March 15th unless a sub-association specifically requests a presentation.

Other strategies to reach homeowners who have not yet voted have been discussed and will be implemented in the coming weeks. Additional assistance from each sub-association is also being requested.

Respectfully submitted,

Sue Teaney, Chair

Rules Committee
